Take the road towards Broadwindsor (B3163). After a few hundred yards turn left just after the Londis shop (Stoke Road). After about 2 miles you come into the village. Canterburys is a thatched house on the left, with one pair of cottages between it and The New Inn (also on the left). Satnav normally takes you to the door.

Coming from other directions Canterburys is on the right, very soon after the pub.
