1. Leave Crewkerne via South Street (A356 toward the Train Station) and stay on the road for approximately 2 miles. You will go through Misterton.
2. After Misterton, turn right on the A3066 (signed Bridport) and stay on the road for approximately 6 miles. You will go through Mosterton after about 2.5 miles - keep going until you get to Beaminster. You will go through a long tunnel before you reach Beaminster.
3. Go through Beaminster and keep going on the A3066 towards Bridport. Turn right after about 0.5 miles. It is the first right and it is signed Netherbury.
4. You are now on a country lane and you will pass some cottages. Keep driving for another a mile or so until you get to a small bridge with white railings. Turn right and go over the bridge. You are now on Bridge Street and you are nearly here.
5. Drive past the end of the white railings and you will see cottages on your right. Drive past those cottages and Highfield Cottage is on your left. Highfield Cottage is a cream detached stone cottage.

Directions from Bridport:

1. Start from the roundabout with a Texaco Garage. This is where the A35 from Dorchester comes into Bridport and meets East Street. As is heading from Dorchester, turn right off the roundabout onto the A3066 towards Beaminster.

2. Keep on the A3066 for about 5 miles. Go through Melplash and past the Half Moon pub, then look out for a steep hill on a left hand corner. At the top of that hill turn left – it is signed Netherbury and Waytown.
3. It is easy to miss this. If you do, you can take the next left which is also signed Netherbury and follow the directions above from Crewkerne, from point 4. If you also miss this and find yourself in Beaminster, then turn around in the town square and follow the directions above from Crewkerne, from point 3.
9. You are now on a country lane. Drive for about 0.5 miles until you see a small bridge in front of you with white railings. Go over the bridge. You are now on Bridge Street and you are nearly here.
